Personal Statement

Dedicated and capable Undergraduate physics student at Aligarh Muslim university. Science makes me thinking of wonders of natural phenomena. In my spare time, I enjoy Expanding my knowledge in physics by reading articles and research papers.

Professional Experience

➤ ***Subject Matter Expert***

Chegg India

April-2022-present

Education & Qualification

➤ ***BSc. Honors Physics***

Aligarh Muslim university

August-2022-Present

➤ ***Higher Secondary School Certificate***

Markaz English Medium School

June-2017-March-2019

➤ ***Secondary School Leaving Certificate***

KM Higher Secondary School

June-2016-March-2017

Projects

➤ ***Study of Gamma ray attenuation coefficient of different materials***

Under the supervision of Prof. Bhanu Prakash Singh

(Department of physics, Aligarh Muslim University)

Interests

- Biophysics
- Astrophysics
- Nuclear physics
- Computational

Key Skills

- Latex
- Fortran
- Python
- MS Office
